In some instances we may need to provide Personal Information to third parties that we use for delivering specific products or services to you (such as support services, shipping or direct mail organizations) or performing services on our behalf (e.g., performing a credit check). In such cases, our agreements with these third parties do not permit them to engage in further disclosure of your name and delivery address or other Personal Information. FREE HOME may also access and disclose your information in the event of a dispute, in response to legal process or law enforcement inquiries, abuse of our website, or violation of our Terms of Use.

DOMAIN NAME AND IP ADDRESS

We collect the domain names and IP addresses of our visitors for statistical purposes, to measure use, to improve the content or responsiveness of our site or to customize the content or layout of the site for the individual visitor. We do not disclose this information to third parties. We may also aggregate information relating to our visitors' traffic patterns from the data that we collect and retain concerning the IP addresses and domain names of our visitors, and we may divulge such aggregate information about our users with third parties such as our business partners, distributors, and service and support providers. E-MAIL ADDRESSES

You should know that e-mail is not necessarily secure against all forms of interception. If your communication includes sensitive information about you and you would prefer not to transmit this information in this fashion, please contact us by mail or telephone rather than e-mail.

We collect e-mail addresses that are: volunteered by the visitor; through e-mail messages addressed to our company or its employees; through visitor responses via the “contact” portion of the site; or e-mail marketing destination web pages and public events. We use e-mail addresses for marketing purposes and to inform those interested in our products about events, products, services or other items of interest. We may also use e-mail addresses volunteered by our visitors to register the visitor for an extranet account, to process orders for brochures and other written materials, or otherwise to respond to a visitor’s request. You may opt-out of receiving promotional or marketing e-mails at any time by notifying us as a reply to any unwanted e-mail, contacting us at info@freehome.re. Requests to unsubscribe from FREE HOME e-mails may take 5 business days to process.

This opt-out procedure will not be available for administrative messages such as e-mails that are necessary to provide confirmation of a completed transaction (such as a purchase, service request or change in the visitor’s user profile) or e-mails that confirm a visitor’s status as a registered user of the FREE HOME customer extranet.

OTHER PERSONAL INFORMATION

We may use a mailing address or phone number that a visitor provides for a variety of FREE HOME-related reasons. We may send periodic mailings to visitors or make telephone calls to inform those visitors who have provided a mailing address or telephone number of new products, services or events. We will send your friend an email message inviting him or her to visit or try our services. By providing email addresses or any other contact information of third parties to us, you represent and warrant that you have the right to do so, and you acknowledge and agree and that such information may be used for this purpose. We store this information to send the email invitation, to credit for referrals, and to track the success of our referral program. Your friend may contact us at info@freehome.re to request that we remove his or her email address from our database.
